

# Backboard

Grades K-5

## BENEFIT

Cooperative skills

## LOCATION

Grass, blacktop, multipurpose room

## EQUIPMENT

None

## Tip

Rotate partners often to refresh the game.

## Tip

Specify whether students should write capital letters, lowercase letters, or numbers.

- 1 Assign each student a partner.
- 2 The partners take turns drawing large letters or numbers on each other's back.
- 3 The student being written on must guess the letter or number.

One student draws a letter or number on his partner's back. The backboard student must guess the letter or number.
