

Partner Shoe-Tie

Grades 3-5

BENEFIT

Fine motor skills

LOCATION

Grass, blacktop,
multipurpose
room

EQUIPMENT

None

- 1 Assign each student a partner. Make sure one of the students is wearing shoes with laces. Have the partners sit together.
- 2 One student in each pair unties a shoe but keeps wearing it.
- 3 The partners must work together to retie the shoe. Each student holds one end of the shoelace. Once they take hold of their end, they cannot switch hands.

Each student holds one end of a shoelace; the partners work together to tie the shoe.
